Enroll

Log on to the **My Health Benefits** enrollment website at <https://yourbenefitsresources.com/tapestry> and click **Enroll Now**.

- Get fast answers about the best medical options for your situation by sharing what's important to you.
- See how others evaluated the health insurance carriers by looking at carrier ratings for customer service, provider networks, and online experience.

Once you've completed your enrollment online, you can view your future coverages and follow-ups on a confirmation page. You can also view this information through the enrollment website any time before your benefits begin.

Remember, you should carefully review all your options. If you take no action, you will default to your current coverage next year. To contribute to a Health Savings Account (HSA) (if eligible) or to a flexible spending account for 2022, you must make an active election.
