

Health Pro, for your healthcare journey

Take advantage of your benefits!

Your health and wellbeing are important.

Navigating your healthcare can be complex and confusing. Now you have more options to support you, in which ever way works best for you.

Use your Health Pro Connection resources to:

Understand your benefits

Provide clarity related to your health plan coverage.

Review healthcare claims and bills

Confirm coverage was properly applied per your benefits and get help solving issues.

Coordinate your care

A trusted liaison between your doctor and insurance to support managing your care.

Schedule appointments

Set up appointments that fit your schedule.

Need your medical records transferred?

We have you covered.

We are here to help!

Need to quickly access all your health benefit information in one place? Access your **Health Pro Connection** online. Prefer to chat with a person, or need extra help? Your **Health Pro Team** is waiting.
